Jackson Public Schools, located in Jackson, Michigan, is an urban school district in south central Michigan that served more than 6,500 students during the 2008/2009 school year. The face of Jackson Public Schools is diverse, with a student population that in 2008/2009 included: 48% minority, 2% ELL, 66% free and reduced lunch, 10% special education, and 4% that either qualified for one of our gifted and talented programs at the elementary level or dually enrolled in a post-secondary institution while attending Jackson High School.

Status of the Core Curriculum and School Improvement Plan

Jackson Public Schools' core curriculum is aligned to the Grade Level Content Expectations and Michigan Curricular Framework developed by the state of Michigan. Each school in the district has a school improvement team that meets monthly throughout the year to review and update the school improvement plan to be published annually.

Retention Rates Twenty-one (21) students were retained in grades K-6 for the 2008-2009 school year.

Graduation Rates Of the 403 students eligible for graduation in 2008, 359, or 89%, graduated.

District Parental Involvement Policy

Parental involvement is a critical component to student achievement. In order to optimize parental involvement and maximize its beneficial effects, Jackson Public Schools recognize it must continually perform four (4) fundamental functions:

- 1) Communicate to keep parents fully informed.
- 2) Systematically stimulate parents to proactively assert themselves in sharing input
 - a) in the operation of Jackson Public Schools; and
 - b) the daily learning process of their child(ren).
- 3) Provide clear channels for parental and community to receive sufficient direction and feedback.
- 4) Guide and educate parents to assist their skills as teachers in the home.

It shall be the policy of Jackson Public Schools' Board of Education:

- To provide coordination, training, support and resources to assist schools in planning and implementing effective parent involvement programs with support from the leadership of the Curriculum Office;
- To build each school's parental involvement programs through the School Improvement Team (SIT);
- To increase parental involvement in the development of school plans and policies by providing district-level consultation from the Curriculum Office and other district-wide planning committees;
- To enhance efforts to meet the total needs of families and schools by recommending services and strategies with existing community agencies, programs and businesses; and
- To utilize funds designated by federal law for additional resources as needed for effective implementation of parental involvement components.

It shall be the policy of each school's administrator(s), teachers and support staff:

- To provide an inviting atmosphere for parents to feel accepted and to share in the responsibility of their child(ren)'s academic progress;
- To develop a School-Parent Compact (agreement) outlining the role of the parent, child and school personnel in the shared responsibility for learning;
- To provide a means to receive parental input and give a timely response;
- To convene annual parent meetings (Open House) explaining the school's programs, policies and plans;
- To have flexible meeting/conference times, purposes and locations;
- To provide training and support to parents which will strengthen their ability to work with their child(ren) academically at home;
- To provide performance profiles that clearly show parents each school's progress towards meeting state standards;
- To provide regular and timely information to parents showing their child(ren)'s academic progress;
- To provide a range of opportunities for parents to become informed and involved in the education of their child(ren);
- To provide a description and explanation of the curriculum, assessment and expected proficiency requirements;
- To develop homework practices which create successful learning experiences for parent and child(ren);
- To coordinate services with the school counselors, social workers and community agencies addressing family issues;
- To provide information to parents in the language of the home to the extent practicable; and
- To work collaboratively with each schools' parental involvement group to promote healthy child development and safe school environments.
