JPS/I.B. Curriculum

Sharp Park Academy is implementing our I.B curriculum which imbeds our Grade Level Content Expectations that were developed by the State of Michigan into six thematic units. These six units are taught in grades kindergarten through fifth (which we will be adding next year!). Pre-school is only required to teach four of the six units.

Sharp Park's School Improvement Team reviews and updates their school improvement plan yearly. This year we are working on a math, reading and writing goal school wide.

Parent/Teacher Conferences

One of the most important factors in a child's success at school is the involvement of their parent or guardian. We are proud of the parental commitment from our Sharp Park parents. Our data is reflective of our success!
