A Letter From the Executive Director

Dear Friends of Catholic Charities,

We are the social service arm of the Catholic Church and as a result, each year we touch the lives of hundreds of people. 2009 was no exception. It was indeed a most challenging year for many of the individuals and families that came to Catholic Charities. It is during tough economic times that we experience an even greater demand for all of our programs and services.

All of us at Catholic Charities know that none of what we accomplished in 2009 would have been possible without the support of our loyal donors and community partners. I would like to take this opportunity to express to all who support the work and mission of Catholic Charities, my profound gratitude and appreciation. On behalf of the numberless families, children, teens, men and women whose lives now have even a small amount of human dignity restored because of your help, I thank you.

I invite you to look carefully through our annual report. It is about a great deal more than our excellent financial stewardship; it is about compassion, healing, and hope. I believe that the many ways we have contributed to a strong and hopeful community are self-evident.

In 2010, I ask for your continued prayers and financial support of Catholic Charities. I would also like to invite you to look more deeply into our mission and the services we provide as I share with you examples of God's love in action. Please contact us to attend a "Help & Hope Tour." I hope to meet you soon.

God's Blessings,

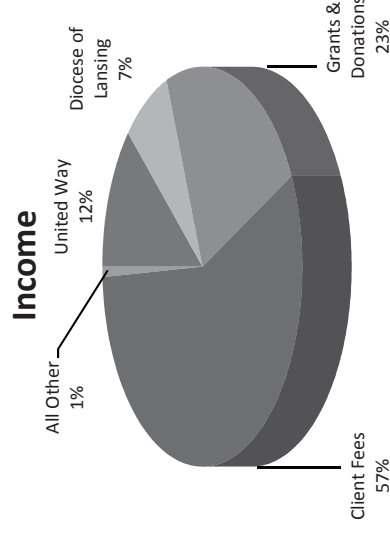

Sue Lewis
